

SEAHA Gymkhanas are Back!

That's right! Gymkhana might have been absent the past year from SEAHA, but we have a new coordinator that stepped in this year to pick it back up! For those who don't know what a Gymkhana is, it's basically just speed events that require the rider to go through specific patterns as quick as possible. Fun for the whole family! There will be Year End Awards and cash prizes for each division, of which there are five from 7 & under all the way to 40+. More information can be found on www.seaha.org.

The three dates for the Gymkhana are going to be

March 13

September 18

October 16

All the events will take place at Jimmy Shultz's Arena. The address is:
12000 Nogales Hwy

Directions:

Coming from the NW - from I-10 take the I-19 exit. From I-19 take the Valencia exit east to Nogales Hwy. Head south on Nogales Hwy to Lumber Street.

See You There!
